

## List of tables

### Students 'Questionnaire Analysis Results Tables

#### Section one    **Background Information**

<b>Table 01:</b> students' age distribution.....	<b>82</b>
<b>Table 02:</b> Students ' sex distribution.....	<b>82</b>
<b>Table 03:</b> Student's streaming background.....	<b>83</b>
<b>Table 04:</b> Students 'free /imposed decision to study English.....	<b>84</b>
<b>Table 05:</b> Motives for studying English.....	<b>85</b>

#### Section two: Oral –Expression Course:

<b>Table 06:</b> Students' attitudes towards the Oral Expression course.....	<b>86</b>
<b>Table 07:</b> Students' motives to like the course.....	<b>86</b>
<b>Table 08:</b> Students attitudes towards the amount of time devoted for the Oral Expression.....	<b>87</b>
<b>Table 09:</b> Oral Expression time table and students suggestions.....	<b>88</b>
<b>Table 10:</b> Students' reactions towards the Oral Expression course 'presentation.....	<b>88</b>
<b>Table 11:</b> Students' arguments about their dissatisfaction towards the O.E course way of teaching.....	<b>89</b>
<b>Table 12:</b> Students amount of talk in classroom.....	<b>90</b>
<b>Table 13:</b> Learners speaking difficulties.....	<b>91</b>
<b>Table 14:</b> Learners 'attitudes towards trying to overcome their talking constraints.....	<b>92</b>
<b>Table 15:</b> Students achievement rate in dealing with their difficulties in the O.E course ...	<b>92</b>

#### Section three: Language Skills

<b>Table 16:</b> Students' evaluation to the rate of the Oral Expression 'improvement to listening and speaking.....	<b>94</b>
<b>Table 17:</b> The evaluation of listening /speaking according to their extent of difficulty....	<b>95</b>
<b>Table 18:</b> Students 'listening constraints.....	<b>96</b>
<b>Table 19:</b> Students' speaking constraints.....	<b>98</b>

#### **Listening**

<b>Table 20:</b> Students' extra listening practice.....	<b>99</b>
<b>Table 21:</b> Students rate of listening to native speakers authentic programs outside the classroom .....	<b>100</b>
<b>Table 22:</b> Students' extent of comprehension to natives' authentic programs.....	<b>101</b>
<b>Table 23:</b> students' viewpoints about listening only to the teacher .....	<b>102</b>
<b>Table 24:</b> students' viewpoints about the necessity of using teaching aids in classes.....	<b>103</b>

<b>Table 25:</b> student's evaluation to teachers ' use of teaching aids.....	<b>104</b>
<b>Table 26:</b> kinds of teaching aids used in classroom.....	<b>104</b>

#### **Speaking**

<b>Table 27:</b> Outside/ inside classroom speaking practice.....	<b>105</b>
<b>Table 28:</b> Students' frequency of talking outside the classroom.....	<b>106</b>
<b>Table 29:</b> Students' frequency of talking English inside the classroom.....	<b>106</b>

<b>Table 30:</b> Main oral activities used in classroom.....	<b>107</b>
<b>Table 31:</b> Students' preferred speaking activities.....	<b>108</b>
<b><u>Section four: laboratory based teaching and storytelling activities.</u></b>	
<b>Table 32:</b> Students' knowledge about what language laboratory is?.....	<b>109</b>
<b>Table 33:</b> Learners' experience in the language lab.....	<b>109</b>
<b>Table 34:</b> The difference between language lab session and a normal classroom course .....	<b>110</b>
<b>Table 35:</b> using audio tapes for listening comprehension in LL.....	<b>111</b>
<b>Table 36:</b> Types of speaking forms students like their tapes to contain.....	<b>112</b>
<b>Table 37:</b> learners' experience with listening /reading to stories in their Childhood.....	<b>113</b>
<b>Table 38:</b> Students' viewpoints about learning stories using English.....	<b>114.</b>
<b>Table 39:</b> Students' opinions concerning adopting storytelling activities as a basic technique in the O.E.course.....	<b>116</b>
<b>Table 40:</b> Students' experience with storytelling activities in classroom.....	<b>116</b>
<b>Table 41:</b> The choice between listening /telling stories in classroom.....	<b>117</b>
<b>Table 42:</b> Students' opinions concerning the language used to present the Story, native/non native language.....	<b>118</b>
<b>Table 43:</b> Types of storytelling activities students like to exercise in The Classroom.....	<b>119</b>
<b>Teachers' questionnaire analysis 'results tables</b>	
<b><u>Section one: Background information</u></b>	
<b>Table 44:</b> Teachers' qualification.....	<b>123</b>
<b>Table 45:</b> Teachers' sex distribution.....	<b>123</b>
<b>Table 46:</b> Teachers' teaching experience at the university (English Department)... ..	<b>124</b>
<b>Table 47:</b> The modules taught by teachers during their teaching period.....	<b>125</b>
<b>Table 48:</b> Years of experience in dealing with Oral Expression lecture.....	<b>125</b>
<b>Table 49:</b> Teachers' free/ imposed choice to teach the Oral Expression course.....	<b>126</b>
<b><u>Section two: Teaching the Oral –Expression course:</u></b>	
<b>Table 50:</b> Teachers' number of sessions/ groups in teaching Oral Expression.....	<b>127</b>
<b>Table 51:</b> Time allocated to the Oral Expression course.....	<b>127</b>
<b>Table52:</b> Teachers' prescribed/ personal adopted programs.....	<b>128</b>
<b>Table 53:</b> Teachers' favorite method to present the Oral Expression course.....	<b>129</b>
<b><u>Section three: Language skills (listening/ speaking)</u></b>	
<b>Table 54:</b> Teachers' classification of skills according to their importance.....	<b>130</b>
<b>Table 55:</b> Teachers' ranking of listening/speaking in accordance to their difficulty to be taught.....	<b>131</b>
<b>Table 56:</b> Teachers' attitudes towards trying to deal with teaching areas of difficulties.....	<b>132</b>
<b>Table 57:</b> Teachers' level of achievement in overcoming their teaching difficulties.....	<b>132</b>
<b>Table 58:</b> Teachers' opinions towards suing teaching aids in their teaching.....	<b>134</b>
<b>Table 59:</b> Teachers' use of didactic aids in their classrooms.....	<b>135</b>
<b>Table60:</b> Frequency of using teaching aids in EFL classrooms.....	<b>135</b>

**Section four: Storytelling**

<b>Table 61:</b> Teachers favoured instructional materials.....	<b>136</b>
<b>Table62:</b> Teachers' favoured teaching activities in the Oral expression Course.....	<b>137</b>
<b>Table 63 :</b> Teachers' attitudes towards storytelling activities in the O. Expression course. ....	<b>139</b>
<b>Table 64:</b> The use of storytelling activities in EFL classes.....	<b>140</b>
<b>Table 65:</b> Teachers' level of using storytelling activities in their classes.....	<b>140</b>
<b>Table 66:</b> Teachers' attitudes towards student's performance dealing with storytelling activities in the classroom.....	<b>141</b>
<b>Table 67:</b> Teachers' opinions about the skills developed through classroom storytelling activities.....	<b>142</b>
<b>Table 68:</b> Teachers' adopted procedures in using stories in classroom.....	<b>143</b>
<b>Table 69:</b> Teachers' preferred language in presenting the story.....	<b>144</b>
<b>Table 70:</b> Preferred instructional setting where to introduce storytelling activities.....	<b>144</b>
<b>Table 71:</b> The different storytelling activities that our teachers tend to use in classroom.....	<b>146</b>
<b>Table 72:</b> Teachers' description to their introduction to storytelling activities. ....	<b>147</b>
<b>Table 73:</b> Teachers' evaluation to students rate of involvement in the course using storytelling activities.....	<b>147</b>
<b>Analysis and interpretation 's tables</b>	
<b>Table 74:</b> Control / Experimental groups' scores in the listening section of the pre-test .....	<b>163</b>
<b>Table 75:</b> Control/ Experimental groups' scores in the speaking section of the Pre-test.....	<b>164</b>
<b>Table 76 :</b> Control / Experimental groups' scores in the listening section of the first test .....	<b>170</b>
<b>Table77 :</b> Control/ Experimental groups' scores in the speaking section of the first test.....	<b>171</b>
<b>Table 78 :</b> Control / Experimental groups' scores in the listening section of the second test.....	<b>177</b>
<b>Table 79:</b> Control/ Experimental groups' scores in the speaking section of the first test.....	<b>178</b>
<b>Table 80:</b> Control / Experimental groups' scores in the listening section of the third test.....	<b>184</b>
<b>Table 81 :</b> Control/ Experimental groups' scores in the speaking section . of the third test	<b>185</b>
<b>Table 82:</b> Control / experimental groups` sum of scores and difference in	

	means during the pre-test plus 03 tests .....	186
<b>Table 83 :</b>	Speaking/listening means of scores on the pre- test and the three tests.....	190
<b>Table 84 :</b>	Frequency distribution of both group' score values in the listening tests.....	191
<b>Table 85:</b>	The two groups' score frequencies above the average10.....	192
<b>Table 86 :</b>	Frequency distribution of the groups' score values in the speaking tests.....	193
<b>Table 87:</b>	Control/ experimental groups' frequencies above the average 10.....	193
<b>Table 88 :</b>	Listening tests scores' calculations of mean and standard deviation for the experimental group .....	196
<b>Table 89 :</b>	Listening tests scores' calculations of mean and standard deviation for the control group.....	197
<b>Table 90 :</b>	Two groups different calculations comparison in the listening tests.....	198
<b>Table 91 :</b>	Statistic calculations necessary for calculating the t-test ( listening). obtained by the experimental group.....	199
<b>Table 92:</b>	Calculating the mean and standard deviation of speaking tests 'scores .....	201
<b>Table 93 :</b>	Calculating the mean and standard deviation of speaking tests 'scores obtained by the control group. ....	202
<b>Table 94 :</b>	the two groups' different calculations' comparison in the speaking tests.....	203
<b>Table 95 :</b>	statistic calculations necessary for calculating the t-test (speaking).....	204
