

Democratic and Popular Republic of Algeria

Mohamed Khider University-Biskra

Faculty of Science and Engineering

Department of Physics

A thesis submitted in fulfilment of the requirements of the degree of
Magister

Option : Physics of Semiconductor and Metallic Materials

**Modelling the response of channel-substrate interface traps
to the excitation of the substrate
of GaAs MESFETs**

by

Abdeslam Noura Amel

Jury members :

Belghachi A.	President	M.C.	C.U of Bechar
Sengouga N.	Reporter	Pr.	Biskra University
Saidane A.	Examiner	Pr.	ENSET ORAN
Mimoune S.M.	Examiner	M.C.	Biskra University
Dehimi L.	Invited	M.A.C.C.	Biskra University

2003/2004
